

① What is the typical turn around time to file a report on an incident? why a 5 day delay? Do all incidents require an Action plan?

② How many similar incidents does it take until action is taken to protect the inmate?

③ What role does the Deputy Superintendent have in moving a patient at risk or who has had incidents against him? Can she not ask to move the inmate?

④ If the inmate received books on tape, how were they changed over? She stated they made arrangements to get the tapes but were they delivered and used? And if used, how long? who assisted and how often?

10) Why wasn't 1 on 1 done from the beginning? How many incidents did it take for 1 on 1 to start? How long was this done?

① if an inmate is disabled and unable to enroll in barber shop or cooking classes, what other opportunities are there?

② what are the standards/requirements for protecting the inmates? why is there so much free access into room?

③ where is security stationed in the infirmary? How quickly can they get to an inmate having an issue? (i.e. urine being thrown, punch, licking)

④ how did the patient get access to a cup to throw the urine? what else could they access to harm/injure an inmate?

⑤ how many inmates ~~that~~ have ADA disabilities? what are the standard operating procedures for dealing with physically challenged inmates? what is the training they receive? How are they trained to care for these people →

8) have others with physical disabilities also denied to go outside?

9) Are there inmates who may pose a specific threat, are they allowed outside without other inmates being present? If the answer is yes, why were not the same accommodations allowed for Mr. Reeves?

~~10) was the medical advice~~

10) Since the medical opinion changed, why was there not a discussion to allow him outside?

~~11) clearly there must be other inmates who test above a specific <sup>education</sup> level. what is done for those inmates and were the same accommodations allowed for Tim?~~

12) Are there voice activated computers at other facilities?

13) how many inmates were declined for computer classes? what were those reasons? were they also deemed a "burden to the facility?" ID B

1) ~~If they had Accessible Showers, why not  
allowed? So then the statement of Accessible  
Showers is not really Accessible is it?~~

2) who was assigned to take the inmate to  
education area, chapel, etc? How often  
allowed to go to these areas?

3) how are people with disabilities  
escorted to these areas if they are  
unable to walk on their own?

4) How does <sup>the</sup> movement schedule accommodate  
people with disabilities?

5) How often did the cpo meet with  
Tim? where are these documented?  
was the program recommendation plan  
dated 4/29/14 the only plan?

6) ~~Did he (Tim) ever receive the program  
on 8/23/16 (recommended date)~~

7) If ~~the computer class was recommended~~<sup>recommended</sup>  
~~And Accepted by Tim, why was it not~~  
~~provided? what were the reasons it was~~  
~~declined?~~

DOES  
IN YOUR OPINION ~~IS~~ THE SOC IN TERM  
OF FACILITIES, PERSONEL AND BUDGET  
HAVE THE ABILITY TO CARE FOR  
SOMEONE IN THE CONDITIONS OF  
MR. REAVES?
